Technical Paper Preparation Instructions
Manuscripts must be written in English and follow the instructions in the Manuscript Formatting and Templates page

Document templates are located at:
- Word: MSW_USltr_format.doc
- LaTeX: IEEEtran5.zip
- LaTeX (Bibliography Files): IEEEtranBST1.zip

Regular Papers should be no longer than eight (8) pages, **Short Papers** should be no longer than four (4) pages,
Demonstration Papers and Posters
should be no longer than two (2) pages.

All paper submissions will be carefully reviewed by at least three experts and reviews will be returned to the author(s) with comments to ensure the high quality of the accepted papers. The authors of accepted papers must guarantee that their paper will be presented at the conference. Please only submit original material where copyright of all parts is owned by the authors declared and which is not currently under review elsewhere. Please see the IEEE policies   f
or further information.

Technical Paper Submission Instructions
Only electronic submission will be accepted. Technical paper authors MUST submit their manuscripts through EasyChair. Please follow this link (please register if not an EasyChair user). Manuscripts may only be submitted in PDF format.

A copyright form needs to be submitted upon acceptance of the paper and is not required at this stage.

Note:
1. Every paper accepted for publication in the Proceedings of ICSC 2012 MUST be presented during the conference.
2. Every paper accepted for ICSC 2012 MUST have attached to it at least one registration at the full member/nonmember rate. Thus, for a paper for which all authors are students, one student author will be required to register at the full registration rate.
